The Experience

The Concept: Savor The Scenery

In Apokoronas area, one of the greenest of northeast Crete, sits this property, a luxury 5-bedroom villa of high-quality amenities. On a secluded location, close to the magnificent White Mountains, this property offers mesmerizing 360° views of the landscape of the island, yet is only 15 minutes away from the beach. The tasteful design, the large private pool, the many comfortable alfresco areas, and the vast green outdoors make this property the perfect retreat for a deluxe and relaxing

family vacation.

Outdoors

Built entirely out of natural materials, this property sits gracefully in a massive outdoor area of 20.000 sqm with extensive gardens of green lawn and palm trees. The first thing you'll see as you step into the patio is your large private pool with an attached plunge pool. Relax on the sun loungers that are by the pool or take a dive to cool yourself down from the summer bliss. On the other edge of the pool, there is an alfresco dining area under a pergola where a private chef can make you a Cretan delicacy on the nearby BBQ. In the evening, put some music on and unwind with your friends and family. Total indulgence at this property!

Indoors

This property's geometrical and minimal design combines perfectly with the modern décor and furnishings, creating an ambiance of total relaxation. The interior area is also built out of natural materials and the warm, earthy tones dominate every room of the villa while the large French windows fill them with natural light. Upon entering this property, there is an open plan area that features a spacious living room, a dining area for up to 10 guests, and a fully equipped kitchen connecting to an alfresco dining area. Moreover, on this level there are 4 luxury bedrooms with all the amenities to pamper yourself and direct access to the

outdoor area while 2 deluxe guests can stay to the independent studio, accessed by the patio. As if all this wasn't enough, on the lower level there is a wine cellar with a dining and living area where you can taste local wines.
