The Experience

The Concept: Secluded And Fragrant

Nestled among olive groves yet wide open to the breathtaking views of the surrounding nature, this property is a hyper-modern 3-villa estate in Crete near the charming village of Platanias in Chania, able to accommodate a total of 18 guests. Three swimming pools, impeccable design, commodious spaces and fragrant gardens make this property a dreamy summer home for a large family or friends' reunion, who will get lost in a secluded and serene paradise while being so close to some of

the most famous beaches in Crete, Mediterranean tavernas and the beautiful old city of Chania and its Venetian harbor.

Outdoors

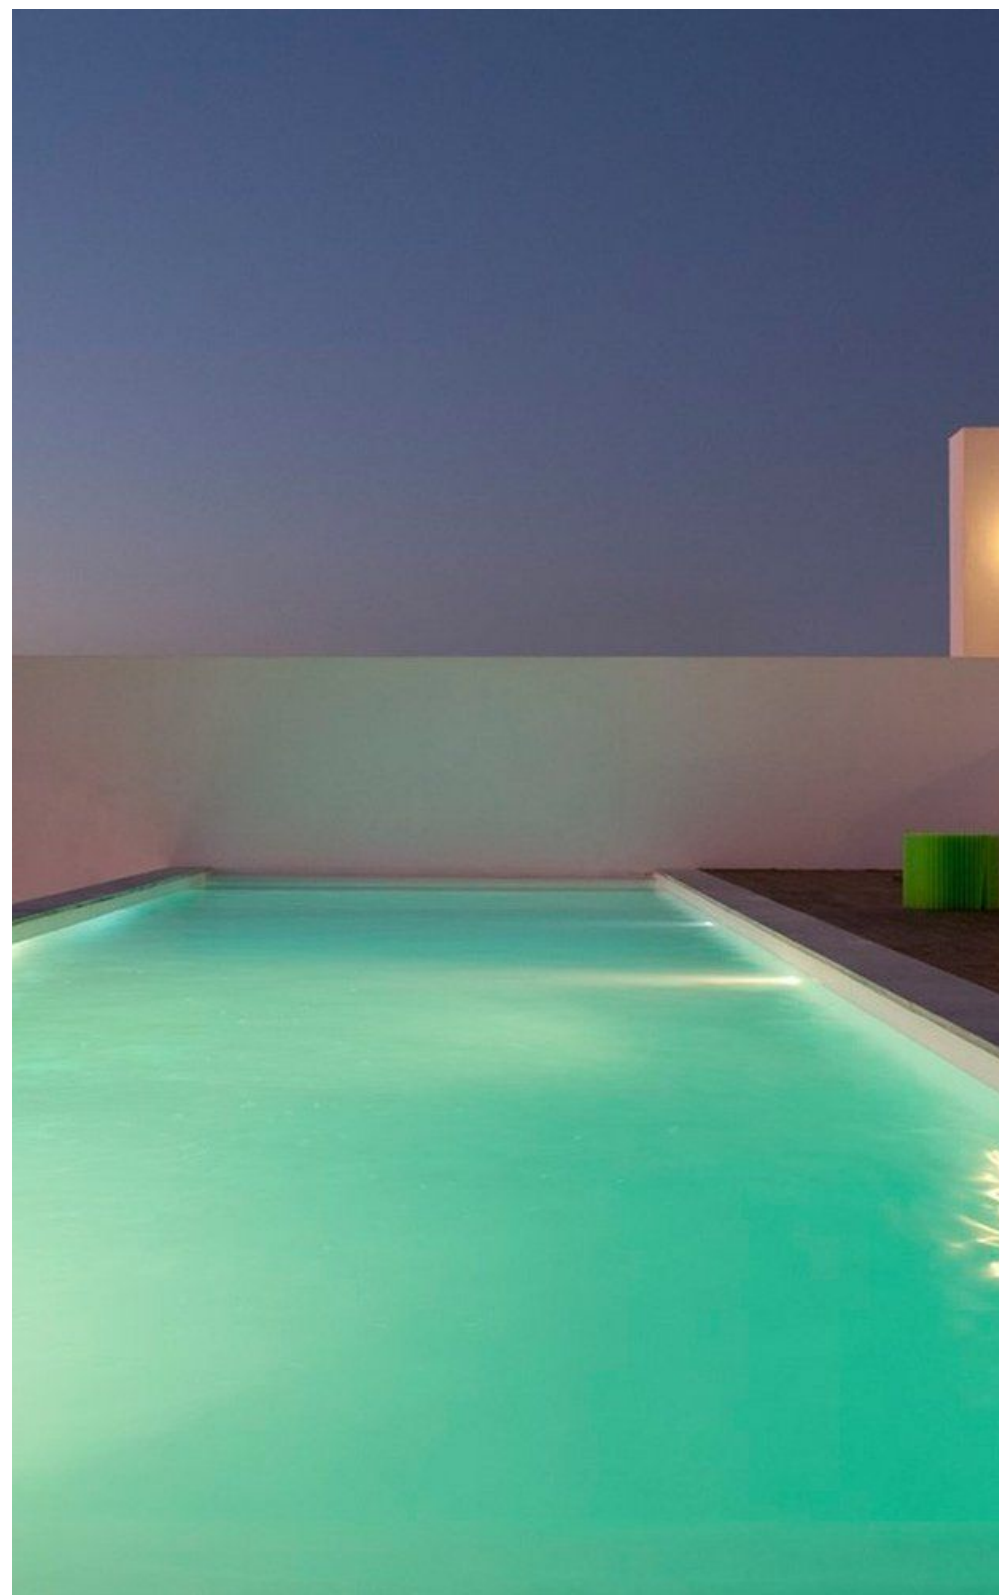

Each villa features a beautifully arranged terrace and a garden with lawn, olive and orange trees, and a mesmerizing swimming pool framed by yacht style deck, the perfect spot for sunbathing and enjoying refreshing plunges. The modern outdoor lounges will cater for your alfresco – complimentary – breakfasts every morning, and at the BBQ area you'll prepare delicious meals for the entire group. Don't let the magic of the garden lure you into staying there all day; Crete is a paradise on earth, and you must get out and explore it!

Interior

Immaculate wood floors, state-of-the-art furnishings and abundant natural light create the perfect ambience for enjoying time together with family and friends inside the properties. Each villa features an open plan living and dining area, a fully equipped kitchen and 3 super-cozy bedrooms with every luxury amenity to make guests feel like home and offer a good night's sleep.
