The luxury Crete villa is perfect for both kids and adults. Kids can spend the day in the playground that this property and its sister villa share. The rest can relax on the loungers next to private infinity pool and enjoy the sea view. There are also various places to relax, either under the sun or under carefully designed shaded pergolas. If you need a fun evening, get the BBQ grilling, turn the music on and have a small party on the pool terrace. The villa is secluded so you will not disturb anyone around!

Interior Design

This property features 8 bedrooms with ensuite bathrooms that offer privacy and high-end comforts. A striking feature you will encounter in the bedrooms is the unique view they offer of the Gulf of Elounda. This is the right place to relax under the warm sun during the night or to feel the night breeze under the stars. The villa architect, Marina Birdimiri, designed the building in such a way that each area offers comfort and pleasure inspired by her childhood in Elounda.
