This luxury Crete villa can host up to 10 people in a wonderful area outside Chania in the town of Marathi. The villa is blessed with spectacular views of the sea, a magnificent infinity swimming pool overlooking the bay, and an unworldly pier that appears to offer a getaway to the blue paradise that the Aegean Sea is. Built within a lush estate with its own olive grove,

it is a proper oasis for everyone who wishes to experience luxury and high comfort in a serene setting with high design aesthetics.

Alfresco

The outside area of this property is a sight to behold! The olive grove surrounding the estate is the perfect environment for a BBQ with your friends, a game (or more) of foosball while watching your favorite team play, or a table tennis duel to see who gets to eat the last hot dog. Go meet the rest of the group at the protected pier area and unwind counting stars under the Greek sky. This luxury villa in Crete is full of favorites. There is also an infinity swimming pool overlooking the bay. Oh, and you can arrange for it to be heated if you want to truly spoil yourself.

Interior Design

The villa is designed and decorated to a very high standard and is prepared to meet your every expectation and need. The ample living and dining space with its large windows and high ceiling, as well as the wood and stone decor, is an homage to the essence of Crete. It combines the wild, untamed and adventurous side of the island with the sophisticated, elegant and harmonious side; everything you need to reenergize your mind and body. The bedrooms all have captivating views of either the sea or the garden to always remind you that you've actually made it to paradise.

And if that doesn't do the trick, head to the kitchen and cook a meal using local ingredients... you'll fall in love at first bite!
